W.J. Maloney Plumbing, Heating & Cooling Begins Work On New VA Southeast Healthcare Clinic

W.J. Maloney Plumbing, Heating & Cooling has begun work on the new Veteran's Administration Southeast Healthcare Clinic in Gilbert.

W.J. Maloney Plumbing, Heating & Cooling is responsible for the design/build of all the plumbing and medical gas systems on the 60,000 square-foot project, which will meet healthcare standards for LEED-Silver certification. McShane Construction Company is the general contractor.

The new facility, expected to be completed in mid-2014, will provide outpatient healthcare services to more than 19,000 veterans in Maricopa County and parts of Pinal and Gila counties.

Healthcare continues to be a strong niche for W.J. Maloney Plumbing, Heating & Cooling, as the contractor recently completed work on the Orthopedic and Spine Inpatient Surgical (OASIS) Hospital in Phoenix, a 94,000 square-foot total joints and spine specialties hospital featuring eight operating rooms and 68 beds.

“Our work in new construction of healthcare facilities and upgrades to existing facilities demonstrates our team's expertise in plumbing and medical gas systems,” said Kathryn “Kitty” Maloney-Langmade, president of W.J. Maloney. “The training and

certifications our craftspeople receive through their apprenticeship and continuing education programs translate into quality construction – and we are proud of that.”

Since 1964, W.J. Maloney Plumbing, Heating & Cooling has been a leading plumbing and HVAC contractor in the greater metropolitan Phoenix area. Working with many of the largest general contractors, the company has provided exemplary design build plumbing, from tenant improvement to complex multi-story projects that include many of the most prominent buildings in the Valley. Recent projects for W.J. Maloney include a major solar thermal project at the University of Arizona, the Sky Train Project at Sky Harbor International Airport and the Mariposa Land Port of Entry expansion near Nogales. W.J. Maloney Plumbing also provides extensive commercial and residential service, maintenance and repair, and is Small Business Enterprise (SBE) and Disadvantaged Business Enterprise (DBE) certified.
